SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

About SMMCHRI

Sri Muthukumar Educational Trust started Sri Muthukumar Medical college Hospital and Research Institute was established in 2009 and started the academic activities from the academic year 2010-2011 with an annual intake of 150 students in MBBS Course with the approval of Medical Council of India and Central Government affiliated to Tamil Nadu Dr. M.G.R. Medical University, Chennai, this Institute will fall under the category of Telugu Minority Institution.

Today the hospital and the Medical College at Chikkarayapuram is recognized as an outstanding institutions and have won the appreciation of medical experts and administrators alike from the State and the Central Governments.

SMMCH & RI is spread over 27.11 acres, became clinically functional from September 2009. Today, it stands tall as a six storied Multispecialty tertiary care hospital with 720 Beds with a total built up area of 40425.07 sq.mts.

The faculty of our Institution is our greatest strength. Our faculties are experts in their own field and are on the forefront in transferring their rich knowledge and experience to the student community and mould them to become highly competent in the field of medicine.

“Quality in Education” is our motto and no effort will be spared to achieve this aim. We also ensure that our students go beyond their class room for an all-around personality development. We strive for excellence in the field of Medicine through a dedicated participatory work culture and are determined to be one of the best Medical colleges in the country.

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Managing Trustee

Late Thiru. A.N. Radhakrishnan, M.A., D.Com. The backbone of the Trust had great vision in Education and Upliftment of the People is only by Education which made him to start Educational Institutions in the fields of Engineering, Medical and other Para Medical courses.

From his young age there was an urge in him to provide services to the mankind in whatever way that was possible within his capacity. Later this has resulted in developing enormous ambition to provide education and healthcare to the weaker section of people in rural areas.

To translate his dreams into reality and satisfy the overwhelming support and enjoyment of the services to the poor, he started further extending the services in the field of education, Medicine and health.

With our beloved Chairman Blessings and guidance the Institute carries his vision and mission in its heart, presenting the Annual report for AY 22-23.

Tmt. Gomathy Radhakrishnan, is the Chairperson of Sri Muthukumar Educational Trust who has rich experience in the field of Education. She has won many state awards. She continues to be associated with all educational activities and is offering her valuable guidance in all our endeavours.

Mrs. Jayanthi Radhakrishnan, an astute, sharp and wise leader graduated with science degree from University of Madras and later got herself a master's degree in business administration. She has had an illustrious career in the United States of America for more than a decade holding leadership positions in several Fortune companies, who has a keen vision in upgrading the Institute to International standards.

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Vision:

To function as centre of Excellence in Medical Education by providing World Class Education and Training which will help the emerging doctors to serve Humanity with dedication and to provide Quality Medical Service at an affordable cost to the people.

Mission:

1. To be an Outstanding Institution in Medical Education and Training and the development of next generation health professionals who will serve nation in Promotive, Preventive, Curative and Rehabilitative aspects of health care.
2. To provide excellent Educational Opportunities for diverse population of learners including rural minority students.
3. The institute aims at being a progressive community partner delivering an outstanding health care experience to the people it serves.

Academic and administrative governance:

The Institution strictly adheres to the regulations laid by the NMC and the affiliating The Tamil Nadu Dr. MGR medical university for the conduct of the academic activities.

With a commitment to uphold overall performance and long-term sustainability through a strategic pursuit of excellence, the institution has MEU, IQAS and 34 committees which meticulously devised strategic plans for prioritizing advancements in academics, patient care, infrastructure, societal engagement, and student support which is over seen by the Governing body.

Anti-ragging committee is established as per UGC norms to curb the menace of ragging in the campus. The students are acquainted to the regulations laid by the UGC and we maintain zero tolerance to ragging.

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Incorporating students' input in various academic committees and student council, engaging parents during parent-teacher meetings, and soliciting feedback from students, parents, academic peers, alumni, and employers on academic and administrative matters which are overseen by the college council significantly influence the institution's decision-making process, fostering continuous progress towards excellence. The governing body of the institution comprises of the administrators, faculty representatives and other stakeholders. The governing body authorises the Dean as the head of the institution, who then decentralises the authority to the various levels of functionaries of the college, the Vice-Principal and the Heads of the departments for the academic activities, the administrative officer for the administrative activities. The prime role in implementing institutional policies is played by department heads, respective committees and the section in-charges. The Medical Superintendent and the RMO warrants quality patient care in the hospital.

The institution is dedicated to maintaining overall performance and long-term sustainability by strategically pursuing greatness. To that end, it has carefully developed plans for prioritizing advancements in patient care, academics, infrastructure, social participation, and student assistance.

Value Added courses

Apart from abiding with the CBME curriculum and exam pattern, college conducts various value added courses (VAC) and add on courses (AOC) for its student's upliftment. Some of the VAC and AOC are listed as below

Title of the Value-added course (VAC)	
1	Introduction to One Health- A Transdisciplinary Approach
2	Palliative care Workshop
3	Building Rapport and Trust in Clinical Practice
4	Role of Molecular Docking in Discovery of New Drugs

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

5	Social Etiquette for Medical Graduates
6	Health and Nutrition for Medical Graduates
7	Crowdsourcing and Collaborative Learning through Social Media
8	Qualitative Research in Healthcare- An Overview

S.NO	ADD ON COURSE- COURSECODE	TOPICS
1.	SMMCHRI - AOC01	Blood Banking
2.	SMMCHRI- AOC02	Bio Medical Waste Management
3.	SMMCHRI- AOC03	Infection control program
4.	SMMCHRI- AOC04	ECG for medical graduates
5.	SMMCHRI- AOC05	Patient safety
6.	SMMCHRI- AOC06	Nosocomial infection
7.	SMMCHRI- AOC07	Transplantation immunology

Student Achievements & Recognitions

The Institute take its pride in saying that we have 97% pass percentage in under graduate program and our students have also achieved 138 honours and 280 distinctions in the University Examination of the TN. Dr.M.G.R Medical University in this academic year and our CRRI have cracked competitive exams in various boards. We have 100% pass percentage in post graduate examination.

Quality initiative programs

Quality initiative programs are conducted every year to achieve our vision and mission. Some of them are

7

DEAN
SRI MUTHUKUMARAN MEDICAL COLLEGE
HOSPITAL & RESEARCH INSTITUTE
Chakkarayapuram, Near Mangadu,
Chennai-600 069.

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

- Quality initiative as per ISO standards
- Sensitization programme on different criterion under National Assessment and Accreditation council
- Programme on Quality control indicators for ICU

Professional development /Faculty development programs (for faculty)

Institute periodically conducts faculty development program to aid teaching faculty to enhance and hone their knowledge and stay updated to the latest advancements in the field of medicine in academic and research aspects. Our staffs are adept with administrative skills by undergoing some of the programs conducted which are enlisted below.

Faculty Development Program

- Skills training module in CBME
- Technology based learning
- Assessment & Feedback in CBME

Professional development program

- Workshop on Zotero bibliography coding
- Training on Ventilator support management
- Fire mock drill programme for doctors
- ICT- BenQ software handling workshop
- Leadership skill development programme
- CME on Perinatal Asphyxia
- CME on Abnormal Uterine Bleeding
- CME on Retinopathy of Prematurity
- CME on Overview of Allergic Rhinitis
- CME on Geriatric Orthopaedics

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Administrative training programs (For non-teaching staff)

Our staffs are adept with administrative skills by undergoing some of the administrative training programs conducted which are enlisted below.

- Training on fire safety for housekeeping personnel
- Mock drill on Fire hazard for security personnel
- Demonstration on hand hygiene techniques for nursing staff
- Spill management demonstration for housekeeping staff
- Workshop on Professional etiquette and soft skills development for Nursing staff
- Training on MS Office for Administrative staff
- Code pink training for security personnel
- Workshop on Leadership quality development and Team work
- Disaster management mock drill
- Safe needle practice for Laboratory personnel
- Workshop on Biomedical waste handling
- Training on Turn -around Time and critical value reporting for Lab. Personnel

Infrastructure

Classroom: The Institute have six well-equipped Air-Conditioned Lecture Hall in the College Block with ICT enabled facilities and smart boards. Demonstration halls of all the departments are equipped with smart boards to enhance technology in teaching and small group learning.

Hostel-The Institute provides a safe and homely environment with well -equipped separate hostel facilities for Boys and Girls with Gymnasium, Indoor play area with mess facilities that provides balanced diet for the inmates. Hostels are fully secured with trained uniformed security guards inside the campus with CCTV surveillance for higher order security service.

Hostel wing extensions are done to accommodate postgraduates, Tutors, JR and SRs.

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Managing Trustee

Mr. A.N. Radhakrishnan, M.A., D.Com., is the Managing Trustee. He is the backbone of the Trust. Mr. Radhakrishnan has with him rich teaching experience as a Senior Lecturer in Commerce for over three decades in State Institute of Commerce Education (SICE), which is under the control of Dept. of Technical Education, Govt. of Tamil Nadu. His rich experience in teaching is mainly instrumental in starting Educational Institutions in the fields of Engineering, Medical and other Para Medical courses.

From his young age there was an urge in him to provide services to the mankind in whatever way that was possible within his capacity. Later this has resulted in developing enormous ambition to provide education and healthcare to the weaker section of people in rural areas.

This has prompted him to voluntarily retire from government service. To translate his dreams into reality and satisfy the overwhelming support and enjoyment of the services to the poor, he started further extending the services in the field of education, Medicine and health.

Tmt. Gomathy Radhakrishnan, is the Chairperson of Sri Muthukumar Educational Trust has rich experience in the field of Education. She has won many state awards. She continues to be associated with all educational activities and is offering her valuable guidance.

Mrs. Jayanthi Radhakrishnan, an astute, sharp and wise leader graduated with science degree from University of Madras and later got herself a master's degree in business administration. She has had an illustrious career in the United States of America for more than a decade holding leadership positions in several Fortune companies, who has a keen vision in upgrading the Institute to International standards.

Vision & Mission

Vision:

To function as centre of Excellence in Medical Education by providing World Class Education and Training which will help the emerging doctors to serve Humanity with dedication and to provide Quality Medical Service at an affordable cost to the people.

Mission:

1. To be an Outstanding Institution in Medical Education and Training and the development of next generation health professionals who will serve nation in Promotive, Preventive, Curative and Rehabilitative aspects of health care.
2. To provide excellent Educational Opportunities for diverse population of learners including rural minority students.
3. The institute aims at being a progressive community partner delivering an outstanding health care experience to the people it serves.
3. The institute aims at being a progressive community partner delivering an outstanding health care experience to the people it serves.

Academic and Administrative Governance:

As an affiliated college the Institution strictly adheres to the regulations laid by the NMC and the affiliating The Tamil Nadu Dr.MGR medical university for the conduct of the academic activities.

With a commitment to uphold overall performance and long-term sustainability through a strategic pursuit of excellence, the institution has MEU, IEC, Research Unit and various committees which meticulously devised strategic plans for prioritizing advancements in

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE

Chikkarayapuram, Near Mangadu, Chennai - 600069

academics, patient care, infrastructure, societal engagement, and student support which is over seen by the Governing body.

Anti ragging committee is established as per UGC norms to curb the menace of ragging in the campus. The students are acquainted to the regulations laid by the UGC and we maintain zero tolerance to ragging.

Incorporating students' input in various academic committees and student council, engaging parents during parent-teacher meetings, and soliciting feedback from students, parents, academic peers, alumni, and employers on academic and administrative matters which are overseen by the college council significantly influence the institution's decision-making process, fostering continuous progress towards excellence. The governing body of the institution comprises of the administrators, faculty representatives and other stakeholders. The governing body authorises the Dean as the head of the institution, who then decentralises the authority to the various levels of functionaries of the college, the Vice-Principal and the Heads of the departments for the academic activities, the administrative officer for the administrative activities. The prime role in implementing institutional policies is played by department heads, respective committees and the section in-charges. The Medical Superintendent and the RMO warrants quality patient care in the hospital.

The institution is dedicated to maintaining overall performance and long-term sustainability by strategically pursuing greatness. To that end, it has carefully developed plans for prioritizing advancements in patient care, academics, infrastructure, social participation, and student assistance.

Student Achievements & Recognitions

The Institute take its pride in saying that we have 96% pass percentage and many of our students have achieved honours and distinctions in the University Examination of TN Dr.M.G.R Medical University and our CRRI have cracked competitive exams in various boards.

Quality initiative programs

Quality initiative programs are conducted every year to achieve our vision and mission. Some of them are

Quality initiative as per ISO standards (Lab staffs+ nursing staffs)

- Orientation towards ISO certification
- Program on quality improvement as per NABH 5th edition

Professional development /Faculty development programs (for faculty)

Institute periodically conducts faculty development program to aid teaching faculty to enhance and hone their knowledge and stay updated to the latest advancements in the field of medicine in academic and research aspects. Our staffs are adept with administrative skills by undergoing some of the programs conducted which are enlisted below.

Faculty Development Program

- Curriculum Implementation Support Programme II (CISP II) Online
- Guide to mentorship in medical education

Professional development program

- Code blue management
- Symposium on CSF rhinorrhoea
- Leadership skill development programme
- Workshop on "How to critically appraise a journal?"
- Training on Surgical safety checklist by WHO
- Workshop on Epi info software
- Workshop on Ventilator management

SRI MUTHUKUMARAN MEDICAL COLLEGE HOSPITAL & RESEARCH INSTITUTE

CHIKKARAYAPURAM, NEAR MANGADU, CHENNAI - 600069

Sri Muthukumaran Educational Trust started Sri Muthukumaran Medical college Hospital and Research Institute was established in 2009 and started the academic activities from the academic year 2010-2011 with an annual intake of 150 students in MBBS Course with the approval of Medical Council of India and Central Government affiliated to Tamil Nadu Dr. M.G.R. Medical University, Chennai, this Institute will fall under the category of Telugu Minority Institution.

Today the hospital and the Medical College at Chikkarayapuram is recognized as an outstanding institutions and have won the appreciation of medical experts and administrators alike from the State and the Central Governments.

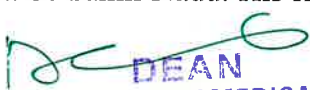

SMMCH & RI is spread over 27.11 acres, became clinically functional from September 2009. Today, it stands tall as a six storied Multispecialty tertiary care hospital with 720 Beds with a total built up area of 40425.07 sq.mts.

The faculty of our Institution is our greatest strength. Our faculties are experts in their own field and are on the forefront in transferring their rich knowledge and experience to the student community and mould them to become highly competent in the field of medicine.

“**Quality in Education**” is our motto and no effort will be spared to achieve this aim. We also ensure that our students go beyond their class room for an all-around personality development. We strive for excellence in the field of Medicine through a dedicated participatory work culture and are determined to be one of the best Medical colleges in the country.

Managing Trustee

Mr. A.N. Radhakrishnan, M.A., D.Com., is the Managing Trustee. He is the backbone of the Trust. Mr. Radhakrishnan has with him rich teaching experience as a Senior Lecturer in Commerce for over three decades in State Institute of Commerce Education (SICE), which is under the control of Dept. of Technical Education, Govt. of Tamil Nadu. His rich experience

in teaching is mainly instrumental in starting Educational Institutions in the fields of Engineering, Medical and other Para Medical courses.

From his young age there was an urge in him to provide services to the mankind in whatever way that was possible within his capacity. Later this has resulted in developing enormous ambition to provide education and healthcare to the weaker section of people in rural areas.

This has prompted him to voluntarily retire from government service. To translate his dreams into reality and satisfy the overwhelming support and enjoyment of the services to the poor, he started further extending the services in the field of education, Medicine and health.

Tmt. Gomathy Radhakrishnan, is the Chairperson of Sri Muthukumar Educational Trust has rich experience in the field of Education. She has won many state awards. She continues to be associated with all educational activities and is offering her valuable guidance.

Vision & Mission

Vision:

To function as centre of Excellence in Medical Education by providing World Class Education and Training which will help the emerging doctors to serve Humanity with dedication and to provide Quality Medical Service at an affordable cost to the people.

Mission:

1. To be an Outstanding Institution in Medical Education and Training and the development of next generation health professionals who will serve nation in Promotive, Preventive, Curative and Rehabilitative aspects of health care.
2. To provide excellent Educational Opportunities for diverse population of learners including rural minority students.

3. The institute aims at being a progressive community partner delivering an outstanding health care experience to the people it serves.

Academic and Administrative Governance:

Sri Muthukumar Educational Trust, Chennai started Sri Muthukumar Medical college Hospital and Research Institute, as a Telugu minority institution in the academic year 2010 – 2011 with an annual intake of 150 students in Undergraduate Medical (MBBS) course with the Approval of Medical Council of India and Central Government and affiliated to The Tamil Nadu Dr. MGR Medical University, Chennai.

Incorporating students' input in academic committees and student council, engaging parents during parent-teacher meetings, and soliciting feedback from students, parents, academic peers, alumni, and employers on academic and administrative matters significantly influence the institution's decision-making process, fostering continuous progress towards excellence.

The institution strictly adheres to the regulations laid by the MCI and affiliating to The Tamil Nadu Dr. MGR medical university for the conduct of the academic activities. The governing body of the institution comprises of the administrators, faculty representatives and other stakeholders. The governing body authorises the Dean as the head of the institution, who then decentralises the authority to the various levels of functionaries of the college, the Vice-Principal and the Heads of the departments for the academic activities, the administrative officer for the administrative activities. The prime role in implementing institutional policies is played by department heads, respective committees and the section in-charges. The Medical Superintendent and the RMO warrants quality patient care in the hospital.

With a commitment to uphold overall performance and long-term sustainability through a strategic pursuit of excellence, the institution has meticulously devised strategic plans for prioritizing advancements in academics, patient care, infrastructure, societal engagement, and student support.
