Faculty Development Programme

Curriculum Implementation Support Programme (CISP I)

conducted by the MEU of SMMCH & RI
under supervision of the NMC Nodal Centre for Faculty Development,
Sri Ramachandra Medical College and Research Institute.

25.04.2019 to 27.04.2019

Report

The Medical Education Unit of SMMCH & RI conducted the 3-day Curriculum Implementation Support Programme (CISP) training for 28 faculty of SMMCH & RI under supervision by the Observer from Sri Ramachandra Medical College and Research Institute, the NMC Nodal Centre for Faculty Development, Dr. S. Roopa from 25.04.2019 to 27.04.2019, as per the NMC guidelines.

The topics and time distribution for all the sessions on all 3 days were as per the programme schedule prescribed by the NMC. The aim of the FDP CISP was to train faculty, especially the I Phase MBBS faculty for the successful implementation of the Competency-based Medical Education (CBME) curriculum from the 2019-2020 batch of MBBS students onwards.. Participants underwent a Pre-test and a Post-test before and after the Workshop. Feedback evaluation revealed that all the participants felt that the objectives of the workshop were clearly met. Overall, the Faculty Development Programme was beneficial and well appreciated by all participants.

Faculty Development Programme

Revised Basic Course Workshop in Medical Education Technologies & AETCOM

conducted by the MEU of SMMCH & RI
under supervision of the NMC Nodal Centre for Faculty Development,
Sri Ramachandra Medical College and Research Institute.

11.10.2021 to 13.10.2021

Report

The Medical Education Unit of SMMCH & RI conducted the Revised Basic Course Workshop in Medical Education Technologies & AETCOM training for 30 faculty of SMMCH & RI under supervision by the Observer from Sri Ramachandra Medical College and Research Institute, the NMC Nodal Centre for Faculty Development, Dr. M. Shanthi, from 11th to 13th October 2021 as per the NMC guidelines.

The topics and time distribution for all the sessions on all three days were as per the programme schedule given by the NMC. Participants underwent a Pre-test and a Post-test before and after the Workshop. All participants gave their feedback in the Session Evaluation, Programme Evaluation and Retro-pre Assessment sections of the NMC Feedback form

Recognizing the key role played by feedback from participants in providing useful suggestions for further improvement of the workshop, from our side also, the MEU of SMMCH & RI collected specific, focused feedback to identify areas for future improvement.

Feedback evaluation revealed that all the participants felt that the objectives of the workshop were clearly stated and met with; the content being tailored to meet the objectives. All participants also opined that the format of the programme suited their learning style and that the course materials, audio-visual aids, venue and ambience, food and beverages provided were appropriate. The majority of participants also stated that the presentations were effective and that sessions provoked their interest and that they were encouraged to use what they learnt. Many factors that facilitated and a few factors that inhibited learning were also listed. Overall, the Faculty Development Programme was beneficial and well appreciated by all participants.

MEDICAL EDUCATION UNIT

REPORT

“Assessment & Feedback in CBME - Faculty development programme (FDP)” was held on 06.07.2023 between 10:00am – 03:00 pm at the 4th floor lecture hall (college block).

The programme started with the inaugural address and introduction to the session. All the topics were discussed effectively by the resource persons.

The importance of assessment & feedback in CBME was well appreciated by the faculties. The workshop sessions were also successful with effective participation of the faculties. The feedback form was collected from the participated faculties. The participants opined that the presentations were effective and they were encouraged to follow what they had learned in the FDP. The faculties were given certificate of participation by the institution.
