TO WHOMSOEVER IT MAY CONCERN

This is to certify that the following data submitted in the SSR regarding the Institution's infrastructure for community-based learning is true to the best of my knowledge.

1. The Institution has its own Peripheral health centres; one Urban health training centre at Nandambakkam and one Rural health training centre at Amarambedu for training of students.
2. Residential facility is available for students at both the peripheral health centres of the Institution.
3. The Institution had allotted students to Primary health centres at Mangadu and Kunrathur for community health training.
4. Mobile clinical service facilities are available at the Institution in order to aid the students to reach remote rural locations.
